

# STOP THE HURTING START THE HEALING

## Capital Fundraiser Campaign Suite Sponsorship

### It's Time To Move On!

Fort McMurray Family Crisis Society is getting ready to break ground on its greatly anticipated new and much larger emergency shelter later this year, months ahead of schedule.

The shelter is part of the FMFCS's larger Stop the Hurting, Start the Healing construction project, which also includes an affordable housing facility and a Second Stage Housing Shelter. The FMFCS broke ground on the affordable housing facility and Second Stage Housing Shelter in April 2013, and the projects are on-budget and on-schedule with completion expected in October 2014.

#### The new emergency women's and children's shelter will offer:

- 45 bedrooms (from the current 9 bedrooms)
- Expand to 22,000 sq/ft from current 7,000 sq/ft
- Larger communal dining area and child development centre
- A variety of lounge areas including a youth activity room and a family playroom
- A smudge/meditation room
- Programs and services
